

Shakedown 26/09/2024

Wristbands are available at the registration table, which will be personally put on the wrist by someone from the organization.

Both, pilot and co-pilot, or 'VIP passenger' must wear this wristband at the start and show it to the officials.

The wristbands will be checked every time a car presents itself at the start.

No exception: no wristband = no starting! (the organization is not responsible for any abuse)
